

EXPRESSION OF INTEREST

In the light of REC strategic development and the constant efforts to enhance the impact of our activities and taking into consideration the implementation of the “Surveillance of invasive and native mosquito Vectors and pathogens they transmit in Montenegro” - **LOVCEN Project** and its potential benefits and complementary contribution to our stated mission and objectives, we express our high interest to be accepted and acknowledged as project associate.

The specific contribution of the projects results, outputs and outcomes to our present and future activities is retrieved in the positive impact of the mosquito monitoring system.

Our present assessment highlights the collaboration within the LOVCEN project as highly relevant for the sustainable development and implementation of REC activities and projects.

This expression of interest is the statement of our commitment to the project specific objectives and deliverables.

REC appointed representative is Ms. Srna Sudar.
