Invitation to the MediLabSecure first “Head of Laboratory” Meeting (Paris, January 14-15, 2015)

Dear Dr Pajovic,

As member of the Laboratory for applied zoology of the University of Montenegro in Podgorica which has been selected to be part of in the MediLabSecure Network, you are kindly invited to participate in the MediLabSecure first “Head of Laboratory” Meeting to be held at the Institut Pasteur in Paris (France) on January 14-15, 2015.

The aim of the meeting is to inform you about the network and to discuss the needs and gaps of the selected laboratories in order to define priorities and selection criteria of the trainees of the first workshops and other complementary issues between the different laboratory networks (entomology, animal virology and human virology) which will be set up.

As Member of Laboratory, your participation to this meeting is recommended.

The travel, hotel and subsistence expenses will be borne by the WP1 of the MediLabSecure project.

A room is already booked for you at Holiday Inn Paris Montparnasse Pasteur - 10, Rue Gager Gabillot - 75015 Paris.

Sincerely,

Kathleen Victoir, PhD
Project Manager
International Division
